Dear Valued customer

It gives us immense pleasure to inform you that Jay Chemical Industries Limited Unit IV (Khambhat) is now **bluesign® system partner**. The bluesign®system focuses on resources, people and the environment. With its holistic approach based on input stream management, the bluesign®system reduces the impact on people and on the environment, ensures responsible use of resources and guarantees the highest level of consumer safety

This is one of the important milestone in the history of JAY towards the commitment to sustainability and supporting the valued customers to fulfil the ecological and product safety requirement of various brands associated with bluesign®

There will be homologation process, which will take at least 2 months before our products are listed in bluesign® blue finder and we will inform once the products are listed in bluesign®finder
